

The Christian Educational Consortium
331 South Birchwood Ave.
Louisville, KY 40206

October 16, 2017

Dear friend of CEC,

The Christian Educational Consortium is a private non-profit 501c3 school (#B23874 & 16-1677156) which provides a blended education for home educated students, grades 6-12, giving them an opportunity to attend classes in a traditional setting with a Christian environment, as well as the opportunity to participate in a plethora of extracurricular activities from August to May. CEC offers more than 60 classes in core subjects, as well as a variety of electives. CEC includes dual credit classes for students from Boyce College and Indiana Wesleyan University in which students may receive high school and college credit with qualified CEC instructors.

In addition to rigorous academics, CEC offers many extracurricular opportunities. Clubs at CEC include the Honor Society and Beta Club, the Latin Club, Chess Club, a Computer Club, the Fellowship of Christian Athletes, and the Rotary Interact Service Club. Our sports programs currently include baseball, soccer, basketball, volleyball, track, and archery. There are plays, choral performances, fall and winter socials, prom, and a formal graduation. For more detailed information about our classes and programs, please visit our web site at www.christianconsortium.org.

To support our growing program, CEC is hosting our 2nd annual fundraising Gala on February 8, 2018, at Owl Creek Country Club which will include a silent auction. We are raising funds, not only to support academic programs, but also to grow and expand future opportunities in our extracurricular programs.

We would like to ask for your support as a sponsor for our school. There are five sponsorship levels available for your business reaching our over 500 students, their families, and many others in the home schooling community who have demonstrated an interest in CEC. Now in our 17th year, The Christian Educational Consortium graduates more Seniors than any other non-Catholic private school in the Louisville area, other than CAL. The sponsorship levels with an increasing amount of recognition are detailed on the attached sheet. Please consider helping us with a sponsorship.

We truly believe our children are the most precious resource on the planet. A sponsorship form is available on our website which can be printed and mailed, or emailed to cecfundraising1@gmail.com. All donations are tax deductible.

Thank you in advance for your generous support!
